Delays caused by railroad maintenance. Besides the unexpected delays, passengers may also experience delays caused by railroad construction and maintenance projects. Every effort is made to schedule this work during off-peak and weekends to keep the impact of delays to a minimum. We also post service bulletins in the stations and on our web site in advance of anticipated delays.

In July there were 22 trains annulled due to railroad construction and maintenance projects. On July 2nd Metra experienced a power outage which resulted in five annulled trains and six trains delayed more than 59 minutes. There was also a gas leak by New Carlisle in July that cause one delayed train of 114 minutes and one annulled train. Three other trains were delayed due to police activity and a train equipment issue.
