Bike

the South Shore Line

APRIL 1, 2018 - OCTOBER 31, 2018*

Your Bike Can Ride, too!

Bicycling enthusiasts can take their bikes on the South Shore Line from Chicago to South Bend! Bike racks, located in specified train cars, are provided free of charge on a first-come, first-served basis.

Look for the Symbol

Bike rack-equipped train cars are clearly marked with a bike symbol prominently located on the windows of each car. Cyclists are asked to enter and exit the bike train cars through the center doors. Upon boarding, bikes are to be placed in the self-locking racks.

Now you can Bike to work.

The **Bikes on Trains** program is now being offered on two a.m. and p.m. rush-hour weekday trains.

Timetable Notations >

- To board, riders must be visible to conductor on the platform for pick up. To disembark, notify conductor. (McCormick)
- Train departs immediately after discharging passengers and may leave up to four minutes before scheduled time.
